iPhone App

If you own an iPad, iPhone or iPodTouch, be sure to download the [Meet Mobile](#) App to follow all our meets at Southbury. The app gives swimmers, coaches and supporters access to real-time meet results directly from HY-TEK's MEET MANAGER 4.0, the software we use to run meets at Southbury. Instead of fighting for a space to view results on the wall, sit back and follow live data within minutes of heats finishing! (Internet connection needed.)

Please note Middlesex ASA is offering this facility at the BAGCATs & Youth meets!
